

SMOKY HILL FOOTBALL 2020

June 24, 2020
Head Coach Tom Thenell

We are through phase one of the return to football practice. I am very encouraged and thrilled with the way the players and coaches handled phase one. Not only did the kids give physical effort, but our mental and emotional toughness showed in the way they abided by all the rules and restrictions.

We will be moving into phase two next week. The schedule changes a bit in that we will move to a Monday-Thursday (4 day) schedule. I will post workout groups for phase two on HUDL. There are going to be a couple differences in time schedules to look for.

If you are going to miss a workout, let your coach know so we can keep accurate records. Some of you have another sport going on, and I encourage you to participate and play, just keep your football position coach informed to avoid any misunderstandings.

Keep up the great work BUFFS! If we keep working, stay focused and love what were doing, the BUFFS are a scary team to play!!

****CHECK HUDL FOR YOUR TIMES AND DATES****

Sincerely,

Coach Thenell
