

SMOKY HILL FOOTBALL 2020

July 31, 2020

PLAYERS, PARENTS AND FRIENDS:

The 2020 football season is approaching. We have come a long way in 2 years! Through all the hard work by the players we have had a great off-season in in the weight room and on the field during the pandemic. It is exciting and amazing to see the confidence and belief the kids have in themselves. Smoky football has established itself as one of the premier programs in the state.

These next few weeks will be "vacation" weeks until school starts or the official start of football season occurs: whichever comes first. I am asking everyone to take care of everything off the field on Planet high school so we have a smooth transition into the start of school and football season as soon as it is here.

I will be in touch with a letter and on HUDLASAP when there is a time frame and with a calendar to work from.

THANKS, AND GO BUFFS!!

Sincerely,

Tom Thenell
